

JULY 9TH 2015
1:30PM- 3:30PM EDT

LEAD AND COPPER (LCR) 101 WEBINAR SERIES

PART 3:

Compliance Determination and Reporting Requirements

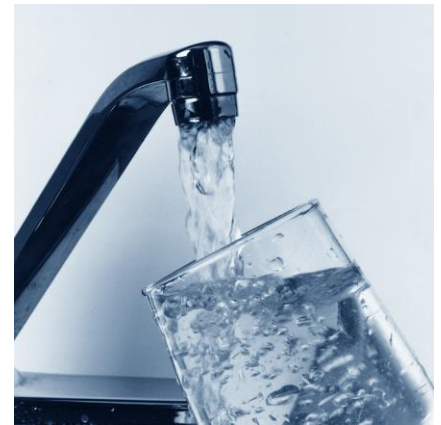

This webinar will discuss the LCR compliance determination and reporting requirements. Presenters will discuss lead consumer notice reporting, violations under the lead and copper rule, compliance determination examples, and data reporting by violation.

Other Webinars in This Series:

PART 1: Requirements Before an Action Level Exceedance
May 7th 1:30pm-3:30pm EDT COMPLETED

PART 2: Requirements After an Action Level Exceedance
June 18th 1:30pm-3:30pm EDT COMPLETED

PART 3: Compliance Determination and Reporting Requirements:
July 9th 1:30pm-3:30pm EDT

EPA's Office of Water is hosting a 3-part webinar series discussing the Lead and Copper Rule.

For all three webinars:

Attendees will have an opportunity to ask questions and hear from EPA's Lead and Copper Rule writers and managers.
