

Webinar Announcement

SRF American Iron and Steel Requirements

Refresher Webinar: Focus on Manufacturers, Suppliers, Distributors

Join us at this upcoming webinar:
 Date: Tuesday, January 21, 2020
 Time: 1:00 PM – 3:00 PM EST

Register at this link:
<https://register.gotowebinar.com/register/5202049392288121345>

The purpose of this webinar is to discuss AIS implementation, project and product coverage, the waiver request process, and the national waivers.

The training will include discussion of the expiring and sunseting National Waiver for Stainless Steel Nuts and Bolts in Couplings/Flanges/Restraints/Saddles/Joints.

The final waiver extension expires on Feb. 24, 2020.

This webinar will be presented by EPA's Clean Water (CW) and Drinking Water (DW) State Revolving Fund (SRF) programs

Please register in advance using the link provided above

Technical Tips: Once you register for the webinar using the link provided, you will receive an automated email from "webcastinfo." Please retain this email, as it includes a link for joining the webinar, information on webinar audio, an email contact for questions related to the webinar, and a link for more information on using Gotowebinar. If you do not receive this confirmation email shortly after registering for the webinar, please check your spam/junk e-mail folder. We recommend joining the webinar several minutes early to allow time to download or upgrade the Gotowebinar software. Please note that audio will be available on-line only, and that there is no telephone call-in number associated with this webinar. Please ensure that you are using a computer with working speakers or headphones prior to joining the webinar.
