

Training and Technical Assistance Grants for Small Water Systems and Private Wells

Thursday, Oct 1, 2020 3:00 PM - 4:30 PM EDT

National Rural Water Association (NRWA) and the Rural Community Assistance Partnership (RCAP) have received grants under the FY19 grant program. They will present on outcomes from previous years and discuss planned activities for the new grants.

State drinking water program personnel and EPA Regional staff are encouraged to attend.
