

EXHIBITOR PROSPECTUS

The background of the entire page is a photograph of a modern, multi-story brick building with large windows, some of which are illuminated from within. In the foreground, there is a decorative water feature consisting of a series of small, cascading waterfalls over a stone-lined channel. A blue metal bridge with a wooden deck spans across the water feature. The scene is captured at dusk, with a warm, orange and yellow sky and some streetlights visible in the distance.
