

### National Primary Drinking Water Regulations

| <b>Year</b>   | <b>Rule</b>  | <b>Reference</b> | <b>No. of Regulated Contaminants</b> |
|---------------|--|------------------|--------------------------------------|
| Pre-1974 SDWA |  |                  | 0                                    |
| 1975          | National Interim Primary Drinking Water Regulations                        | 40 FR 59566      | 22                                   |
| 1979          | Total Trihalomethanes  | 44 FR 68624      | 23                                   |
| 1986          | Fluoride   | 51 FR 11396      | 23                                   |
| 1987          | Phase I Volatile Organic Chemicals (VOCs)                                  | 52 FR 25690      | 31                                   |
| 1989          | Surface Water Treatment Rule   | 54 FR 27486      | 35                                   |
| 1989          | Total Coliform Rule (TCR)  | 54 FR 27544      | 35                                   |
| 1991          | Phase II Synthetic Organic Chemicals (SOCs) and Inorganic Chemicals (IOCs) | 56 FR 3526       | 61                                   |
| 1991          | Lead and Copper Rule (LCR)   | 56 FR 26460      | 62                                   |
| 1992          | Phase V SOCs and IOCs  | 57 FR 31776      | 83                                   |
| 1998          | State 1 Disinfection By-Products Rule (DBPR)                               | 63 FR 69389      | 89                                   |
| 1998          | Interim Enhanced Surface Water Treatment Rule                              | 63 FR 69477      | 90                                   |
| 2000          | Radionuclides  | 65 FR 76707      | 91                                   |
| 2001          | Arsenic  | 66 FR 6975       | 91                                   |
| 2001          | Filter Backwash Recycling Rule   | 66 FR 31085      | 91                                   |
| 2002          | Long-Term 1 Enhanced Surface Water Treatment Rule                          | 67 FR 1844       | 91                                   |
| 2006          | Stage 2 DBPR   | 71 FR 387        | 91                                   |
| 2006          | Groundwater Rule (GWR)   | 71 FR 653        | 91                                   |
| 2013          | Revised Total Coliform Rule  | 78 FR 10269      | 91                                   |
| 2021          | Lead and Copper Rule Revisions (LCRR)                                      | 86 FR 4198       | 91                                   |
