

# 40<sup>th</sup> Annual Conference

Long Beach, California  
October 20 - 22, 2025

Call for Papers

ASDWA is the professional Association supporting state drinking water programs in their efforts to protect public health and implement the requirements of the Safe Drinking Water Act. Our members are the 50 states, territories, the Navajo Nation, and the District of Columbia. On behalf of our members, you are invited to join state, Federal, and local water professionals who will gather at ASDWA's 40th Annual Conference to tackle the many challenges facing the water community. By contributing your knowledge and vision to the conference's program you can help us achieve our goal of protecting public health as we face an array of 21st century challenges. ASDWA solicits both oral presentations and exhibitors of products and services that are invaluable in helping us achieve our collective goals.

## ANNUAL CONFERENCE ATTENDANCE PROFILE

Approximately 250 attendees are expected at ASDWA's Fortieth Annual Conference in Greenville, SC. Conference attendees will include state and territorial drinking water program administrators and their staff, government personnel from EPA and other Federal agencies, drinking water association personnel, water community colleagues, and industry group representatives.
